

Dear parents,

Teacher Recruitment and Enrolment for September 2021

I hope you are all well! It has been a long, difficult and challenging academic year for the teachers, pupils and parents! Nevertheless, we managed to get through it! A big thank you to all the teachers for their hard work and their resilience to cope with online teaching and of course, not to forget the support from the parents to your children during those online lessons. Thank you all!

During the past year, the number of pupils in our school had reduced significantly. We hope that for the coming year, we will be welcoming the past pupils back as well as the new ones.

I would also like to inform you that sadly five of our teachers had left the school at the end of this academic year. We sincerely thank them for their dedication and support to our school. We have managed to find four replacements but still short of one teacher for Mandarin class. As a consequence, there might be disruption for the Mandarin classes in September. As you all are aware that our school is a voluntary organisation and we rely on parents to volunteer their time on Sundays. Whether in the office, PTA, teachers or assistant roles are all very essential and important for the school to maintain the high standard that we have achieved over the years. Without the parental support, the school would cease to function properly or even to exist. Please [contact us](#) via the school's email address if you can offer your help.

If you have not yet enrolled your child(ren) for the next academic year, please send us the completed [enrolment form](#) with a screenshot of the proof-of-payment as soon as you can. This would help our administration team enormously. Normally, we need pupils to register before the school breaks up for the summer holiday. However, due to the unusual circumstances, we are going to extend the registration until 22 August 2021. Your cooperation is very much appreciated and thank you for your continuum support!

Take care and keep safe during the Summer Holiday!

Kind regards

鄭珊珊校長
